Wellesley Ham Club To Begin 16th Year

The Wellesley Amateur Radio Society will begin its 16th season on Monday, October 2nd at 7:30 PM in the basement of the Wellesley Hills Branch Library.

The meeting will focus on a discussion of the recent F.C.C. license changes, and how we can prepare for the new Advanced and Extra Class licenses. How about a course to prepare for the new license?

Slides will also be shown on the Club's Field Day activities. Anyone interested in amateur radio is most welcome. Refreshments will be served.
